

Sevier County Highlight

did you know?

Burl Ives sang about the “Big Rock Candy Mountain.” You can see it for yourself in Sevier County.

Is your salt real? It is if you use RealSalt which is mined in Redmond. *Utah Business* magazine highlighted this company as one of Utah’s best employers.

In 1983 during construction of Interstate 70, the largest known Fremont Indian village was uncovered. Recovered artifacts are now on display at the Fremont State Indian Park and Museum.

The annual Rocky Mountain ATV Jamboree brings hundreds of ATV riders to Sevier County from as far away as Germany and Costa Rica.

given rise to many leisure/hospitality jobs and a booming transportation sector (accounting for 11 percent of nonfarm employment).

Coal mining is another important source of Sevier County jobs. And, now that “black gold” has been discovered within the county’s borders, fossil fuels may play an even more important role in the county’s economy.

Finally, Sevier County is a center for education and culture with the Snow College South campus located in Richfield next to the Sevier Valley Center—a beautiful facility with a state-of-the-art theater, a large arena, and a classroom section which are designed to host a variety of events. 🏛️
